Important Policies!

PROBATION POLICY:

If you are currently on probation, you must get all your missing hours from last semester, along with **5 Additional Service Hours**, on top of the 20 hours required per semester.

If you did not get all of your hours from last year, you should have received an email.

DROP OUT/MISS AN EVENT POLICY:

If you miss an event/drop out less than 48 hours in advance, you must find a replacement, and if not, you must get **2 additional hours** (This means 22 required hours). If it happens a second time, you must get **6 additional hours** (26 required hours). This will be closely monitored!!

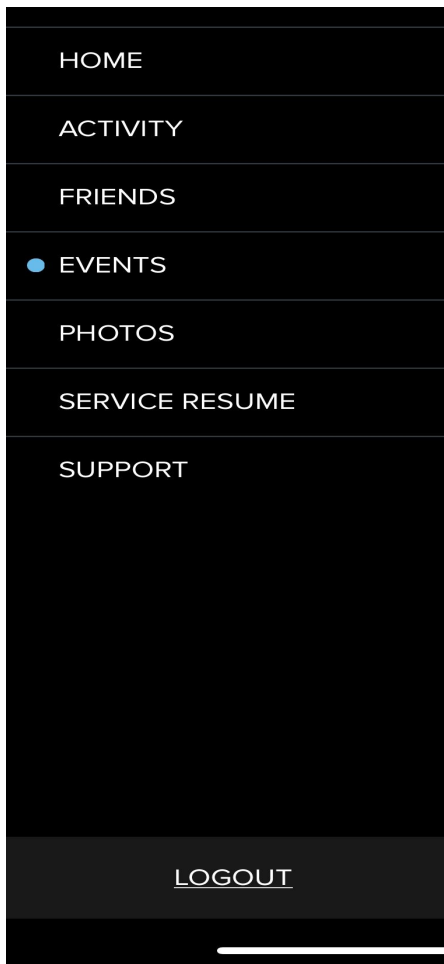

MOBILESERVE

- Before signing up for a service event, please consider if you will actually have the time to participate! When you press that sign up button on Mobileserve, you are making a commitment to serve to both that organization and NHS as a whole. Please keep this in mind!
- However, if there is some sort of emergency or something comes up, we ask that let an officer know 48 hours in advance and find a replacement
- Not showing up or canceling last minute will result in extra hours being required!!

Email faaris.moiz@gmail.com with any questions you may have!

Mobile Serve

- Check Activities Log to see rejected/accepted hours
- Take Pictures of Service/Donation
- Make sure amount of hours is correct
